Dear Shareholders,

The year 2024 marked a stable growth for Trusteeship Plans, Inc. Despite challenging conditions including those brought about by weather disturbances that adversely affected field operations by our sales force in some areas, revenues registered a modest growth of 8% while net income grew by about 9.7%. For 2026, a new batch of life plans shall be applied for with the Insurance Commission. We remain committed to a steady and sustainable growth and boosting shareholder value. On behalf of management and the board, I thank our employees and sales units for their unwavering support.
