2. Message from the President

Dear Shareholders,

Company operations in 2025 resulted in modest growth in the Company's total assets and equity. Total assets increased by 6% to Php 775.388 million. While revenues dipped caused by a leaner sales force and weather disturbances disrupting field sales efforts, net income grew by 144.7%. In 2026, your Company will sustain its efforts to deliver its commitments to its stakeholders especially its planholders. Further, in anticipation of a new batch of life plans, your company shall focus efforts in beefing up its sales force and accrediting mortuary agreements. As in the past, I thank the Board, management and staff for their support and the vigorous efforts and hard work of our sales teams.

Sincerely,

**Adrian R. Canlas**  
President
